

10TH SUNDAY IN ORDINARY TIME

ST. JANE FRANCES de CHANTAL PARISH

Sterling Heights, MI 48310

June 5, 2016

Jerry-aries

Fr. Jerry Slowinski
ext. 102

Pastor

The first image we get of God in the Old Testament, immediately after creation, is that of a God looking down on the earth and saying *"It is good; indeed, it is very good!"* This is paralleled at the beginning of Mark's Gospel (where there is no account of the birth of Jesus). Mark's Gospel begins with the baptism of Jesus with God, who is looking down from Heaven, on His Son, says *"this is My beloved Son, in whom I am well*

pleased!"

The essential attitude of Jesus can be understood in this light. Jesus knew the Father intimately and, as a result, could hear God saying: *"You are blessed. I am pleased with you. The earth is blessed. I am well pleased with it."*

Because Jesus knew, recognized and could comprehend what the Father was saying, Jesus could look at the world, and everyone in it, and see them as blessed. *"Blessed are you the poor in spirit, for yours is the kingdom of heaven. Blessed are you who mourn, for you will be comforted. Blessed are the meek, for they shall inherit the earth. Blessed are they who hunger and thirst for righteousness, for they will be satisfied. Blessed are the merciful, for they will be shown mercy. Blessed are the clean of heart, for they shall see God. Blessed are the peacemakers, for they will be sons and daughters of God. Blessed are those who are persecuted for the sake of righteousness, for theirs is the kingdom of heaven. Blessed are you when others insult you and persecute you and utter every kind of evil against you falsely because of me. Rejoice and be glad, for your reward will be great in heaven."*

Many implications flow from this, both in regards to how we view God and how we see life.

First of all, regarding how we view God: Do we ever view God as relaxed, content and pleased with us and pleased, in fact, with the world? Do we ever believe God takes delight in us and in the world?

There are undoubtedly many who suffer from an unhealthy and debilitating fear of God. Their view of God is of a deity who is intense, wired, displeased and fixated on our faults and shortcomings. God may no longer threaten with hell fire, but God isn't relaxed and pleased either.

We are still a long ways from really believing in a God who smiles, is relaxed and sees the world as blessed. Consequently the notion of God who, when seeing us and the world, is more likely to be that of a Creator who expresses disappointment and frustration.

It is no accident then that, on the part of many, this is also how the world is viewed; the mode of viewing the world is one of depreciation, rather than appreciation. Before seeing goodness, wrong is seen; before there is blessing, there is cursing; before there is appreciation, there is criticism. Does that mean that we should be oblivious to evil and cruelty? No, these have a place but first, before criticism and judgment, there must be appreciation of the goodness present in the world. Why?

Because God works that way. Long before there is judgment on this planet, or on us, God said *"The world is good. All that I, the Lord God, have made is good."* God is smiling and relaxed. The challenge for each of us is not to be consumed by anger and cynicism, but to see the world as God has fashioned it.

He stepped forward and touched the coffin; at this the bearers halted, and he said, "Young man, I tell you, arise!"
Luke 7:14

WE GIVE THANKS FOR GOD'S BLESSINGS

The best way to respond to God's loving generosity is by reflecting on that generosity day by day. Take time for prayer; nurture relationships with family and friends; participate in the worship life of the community of Christians; and act out of loving concern on behalf of others in the world. What God does in Jesus' human life is a much magnified version of what happens when one's personal schedule is rearranged to be with someone who is lonely or despairing, or when creative ways are devised to volunteer talents for the parish, or when family budgets and spending habits are reprioritized in light of the Gospel. The stewardship question is not, "Should I do these things?" but rather, "How much should I do?"

STEWARDSHIP

INTERESTED IN BIKING

The Stewardship Committee is exploring the idea of having a Biking Club here at the parish. They would gather with their bicycles at a designated spot, take a bike ride to a destination and back to the starting location, and possibly grab a bite to eat after. If you would be interested in a group like this, please join us on Wednesday, June 8th, for an informational meeting at 7:00pm.

If you can't make the meeting, but are still interested, just contact Tara at tfinn_sjf@yahoo.com or 586-977-8080, ext., 107 so we can share the information from the meeting with you.

CAR SHOW

Join us for a Cruise-In on **Friday, June 17th, from 4:00pm-8:00pm**. The proceeds from the evening go to the Pastoral Outreach Support Fund. Whether you are bringing a car to show or just want to stroll around and check them all out, consider yourself invited! Concessions will be provided by the Knights of Columbus and we'll have music provided by Rockin' Ronnie!

If you are interested in joining the committee or helping out at this event, please contact Tara at tfinn_sjf@yahoo.com or 586-977-8080, ext. 107.

YOUTH MINISTRY

**RETURNABLE BOTTLE/
CAN COLLECTION**

Very soon, you may see a new collection container at the back of the parking lot. A month or so ago, the Youth Ministry program was granted approval to collect returnable cans and bottles to help fund many of our different activities for the youth of the parish.

By utilizing the returnable bin, if a student would like to raise some funds to offset the expense of a church activity, they can help return cans and **EARN** a portion of that money, they helped collect.

CHRISTIAN SERVICE

Save the Date
June 18-19, 2016

On the Rise Bakery will be selling their delicious baked goods! Help support the participants of the **ROPE** (Reaching Our Potential Everyday) program. This is a residential bakers' training program helping men & women who have been recently released from prison or completed substance abuse treatment. The program teaches baking skills and provides a safe and supportive environment for each person to regain their life. This program is truly a reminder to all of us that miracles still happen! Come support these miracles and enjoy a tasty treat! They will be in the Gathering Space after the weekend Masses on June 18-19, 2016.

CPR & AED TRAINING

(Provided by A-1 Health & Safety Education)

Anyone can learn CPR—and everyone should! Sadly, 70% of Americans may feel helpless to act during a cardiac emergency because they either do not know how to administer CPR or their training has significantly lapsed. This alarming statistic could hit close to home, because home is exactly where 88% of cardiac arrests occur. Put very simply: The life you save with CPR is most likely to be someone you love!

WHERE: St. Jane Frances de Chantal
FEE: No charge
DATE: Wednesday, June 8, 2016
TIME: 5:00pm-7:30pm

ALL ARE WELCOME—NO AGE LIMITS, NO TESTS, NO STRESS!!
To register, please contact the parish office at 586 977-8080

WHY LEARN CPR?

Cardiac arrests are more common than you think, and they can happen to anyone at any time. Many victims appear healthy with no known heart disease or other risk factors.

WHO CAN YOU SAVE WITH CPR?

The life you save with CPR is most likely to be a loved one. Four out of five cardiac arrests happen at home. Statistically speaking, if called on to administer CPR in an emergency, the life you save is likely to be someone at home: a child, a spouse, a parent or friend.

(This course does not provide a certificate.)

Unleash the Gospel - The New Evangelization is unfolding and breathing new life into the Church in Detroit. *Unleash the Gospel* is a major push to change the DNA of the Church in Detroit to one of a Body of Christ on mission. What we are attempting is nothing less than a radical overhaul of the Church in Detroit, a complete reversal of our focus from inward, or maintenance-focused, to outward, or mission-focused. We seek to bring about this change first in our hearts, through an **encounter** with Christ. Then in our homes as we **grow** in our faith. And finally in our culture as we become a **witness** to the Gospel of Jesus Christ.

There is a need to elevate the presence and importance of Christ in individuals, families, parishes, schools, and Catholic institutions to receive the good news, to live it, and to share it with our friends, our families, in our workplaces and beyond. The natural state of the Church is one of growth. We are living in a time of unnatural deterioration of the Church. The decline in sacramental participation and vocations as well as the closing of parishes are unnatural aberrations rooted in an erosion of evangelization. We need to undo some of what we've become as a people of Christ – passive in prioritizing and living our faith, sad about the perceived decline of the importance of Jesus and Church institutions, and accustomed to a malaise rooted in believing there is little that can be done. Just as we are seeing revitalization in our city, we seek to bring about rebirth of the Church in Detroit. **#ResurgetDetroit**

What is a Synod? A Synod is both an event and a process that sees people – clergy, religious, and laity – gather to discuss important matters of the faith. Synods are transformative events that lead to renewal in the Church's life. After a Synod takes place, the church emerges different, changed.

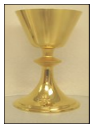

What is the purpose of Synod 16? In expressing his confidence that, "in response to our prayers through the synod in 2016, God will make being missionaries part of the DNA of our archdiocese." Archbishop Vigneron summarized the two-fold purpose of Synod 16. The first is "missionaries." The focus of this Synod is **evangelization**. The second is, "DNA." The Archbishop hopes to transform the very culture of our Archdiocese—how we work, how we pray, how we

minister, everything—so that in everything we do, we are more effective witnesses. Evangelization is bringing the good news of Jesus Christ to those around us. Jesus himself commanded us to evangelize. The church exists to give witness to the Gospel. All around us are people who have never heard that God loves them and desires abundant life for them. They need to hear this good news. There are also people who received sacraments or grew up in faithful homes who have now stopped coming to church or stopped participating in their faith. Evangelization is for them, too.

Have there been other Synods in the Archdiocese of Detroit? There have been ten synods since the Archdiocese of Detroit was established in 1833. The last synod in 1969, spurred much change in the Archdiocese. One of the most-familiar results of this synod was the bolstering of lay participation in the life of the Church through parish councils, parish finance councils, and vicariate councils. It's hard to imagine parish life without those elements of lay involvement. We pray that Synod 16 will, in a similar way, influence how we live the faith in the Archdiocese of Detroit. Synod 16 will take place November 18-20, 2016 at the Westin Book Cadillac Hotel in Detroit. What we are attempting is nothing less than a radical overhaul of the Church in Detroit, a complete reversal of our focus from an inward, or maintenance-focused church, to outward, or mission-focused church.

Who participates in Synod 16? Hundreds of clergy and laity will be participating in Synod 16. All of the faithful—whether they are participating directly in Synod 16 or not — are encouraged to pray for Synod 16. Each pastor was asked to prayerfully nominate three lay people from his parish who he thought could be flexible, creative, and discerning to the promptings of the Holy Spirit. The Archdiocesan Pastoral Council prayerfully considered the nominations and elected the members. Clergy and religious have been elected by their peers and invited by the Archbishop. In November 2016, clergy, religious, and laity will gather to pray and discuss how we can help everyone in our Archdiocese encounter Jesus, grow as disciples, and witness to the glory of a life lived in God's love.

Is there a way for me to play a role in the process? Yes! Most of our parishes will be hosting **Parish Dialogue Sessions**. At these sessions, the faithful will have facilitator-led conversations. A scribe will capture the content of the discussion, which will be brought to the synod for further discussion. The dialogue sessions will be taking place between March and June. The faithful may attend a session at their parish or at another parish. Here at St. Jane Frances we held our dialogue session on May 1st. Check the AoD website for other dialogue sessions being held at other parishes.
