### FR. T'S TIDBITS: Tithing

Recently, some people have asked what it means to tithe. Simply put, tithing is giving 10 percent of your income to charitable work and the church. However, tithing is much more than that; it is an attitude about being aware of the blessings God has bestowed upon us and giving back to God what is right and just.

The practice of tithing is rooted in the Old Testament and was reinforced by the teachings of Jesus and the examples of the early Christians. The biblical norms of tithing are a valid and laudable practice even today. This means that I will give back to God in gratitude ten percent of my income for the many ways that He has blessed my life and ministry.

Tithing, therefore calls for a definite decision regarding stewardship of the gifts and talents that we have and a commitment on our part to be good stewards of the talents which God has blessed us with. I began tithing when I started my first job many years ago and continue to do so today. The practice of tithing made me aware of God's blessing in my life but it also made me aware of how important tithing is to the work and support of the ministries of the Church and the community in which I live.

After I was ordained a priest, the parish I am assigned to is the beneficiary of my tithing. Ten percent of my income is given to St. Jane Frances de Chantal. The needs of the parish are great, One person cannot address every need in the parish but together as a community of faithful people we can put our resources together to do great things within the parish of St. Jane Frances de Chantal.

I hope this information regarding the concept of tithing was helpful to you. I would encourage everyone to pray and reflect upon the practice of tithing. In a special way I would encourage young people who are entering the workplace to consider starting the habit of tithing. It is important that you become supporter of charitable works within the Church and the community in which you live.

Pope St. John Paul II spoke to the topic of tithing when he said: "Nowhere does Jesus condemn the mere possessions of earthly goods as such. Instead, he pronounces very harsh words against those who use their possessions in a selfish way, without paying attention to the needs of others."

**Bon mot: To profit from good advice requires more wisdom than to give it.**

### UNLEASH THE GOSPEL: PHASE TWO: MISSIONARY STRATEGIC PLANNING

Dear Joyful Missionary Disciple,

This week our PVT will work on developing the propositions for Parish Function and Parish Leadership. They will outline goals and objectives so that transformation can begin to take hold in our parish. Please pray for the Parish Visioning Team, that the Holy Spirit will guide us to create a Missionary Strategic Plan that will detail the needs in these areas to obtain approval from the Unleash the Gospel Council. Thank you for your support!

## Part Two: Unleash the Gospel and Sunday Mass

Last week we discussed responding to God's call and meeting the needs of others in the process! Now we'll learn how God is always present with us and how He works in us to accomplish His will here on earth.

### God speaks to us

We are here because Christ, our lover, is here and he wants to speak to us. Christ promised that he would be with us till the end of time. At the celebration of the Mass, we believe that Christ is really present.

*He is present in the person of the minister*

*He is present in his word since He Himself who speaks when the holy Scriptures are read in church*

*He is present when the Church prays and sings, for He promised: "Where two or three are gathered together for my sake, there am I in the midst of them" (Mt. 18:20)*

*He is present especially in the Eucharistic species (the bread and the wine that become his body and blood)*

Christ speaks to us when the Scriptures are proclaimed. Many times it is only a word or a phrase that remains with us. **...be my witnesses.** It is for us to remember that word, that phrase and reflect on the message in it. The message is meant to create a community of believers.

### God transforms us

Two things happen when we come to Sunday Eucharist. We **proclaim** who we are...the Body of Christ and we **become** who we are, the Body of Christ.

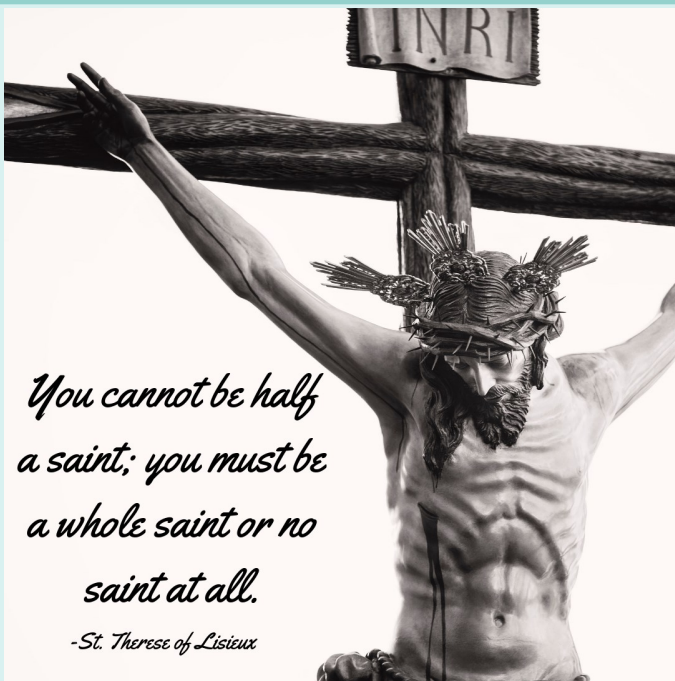

Pope John Paul II wrote in *Dominicae Cenae*, "A very close and organic bond exists between the renewal of the liturgy, and the renewal of the whole life of the Church. The Church not only acts but also expresses herself in the liturgy, lives by the liturgy and draws from the liturgy the strength for her life."

Our very gathering for the celebration and full participation in the celebration identifies us as members of this assembly. We are the Body of Christ... his disciples who continuously proclaim his message by our lives. As the gifts are presented we place ourselves...our lives...our hopes...our sorrows...our joys into the gifts. As the bread and wine are placed on the altar we too are placed on the altar.

Together with Christ in the person of his presider, we offer our whole lives to God during the Eucharistic prayer. As the gifts are changed into the sacred species, so too, God transforms us. We receive Christ in the bread and wine. It takes time to notice the transformation that is happening. Think back to when you were 10 or 20 years younger. Are you still the same?

### God sends us forth

Transformed and nourished God sends us forth to be his disciples. By our daily life, our words and actions, our attention to the needs of others, and much more, we bring Christ to those in our lives.

*You cannot be half  
a saint; you must be  
a whole saint or no  
saint at all.*

*-St. Therese of Lisieux*

*What actions are you taking to become  
a saint for the Glory of God?*

Thanks to your help, St. Jane Frances de Chantal has now raised \$66,651.00 toward our 2019 CSA target of \$92,273.00. We are grateful for those of you who have already pledged your support!

The ministries, programs, and services that the Catholic Services Appeal funds, help us to Unleash the Gospel in our own parish, throughout Southeastern Michigan, and beyond! Truly, we are *Opening Doors to Witness Christ!*

If you are still prayerfully considering your sacrificial gift to this year's CSA, you may bring your completed pledge card to Mass or drop it by the Parish Office. You may also make your pledge to our parish's campaign online at:

[sjf.aodcsa.org](http://sjf.aodcsa.org)

Thank you again for your continued support of our mission to proclaim the Good News of Jesus Christ in our parish, our community, and to the world.

**HEALTH MINISTRY****West Nile Virus Infection**

According to the Michigan Disease Surveillance System, there have been four reported cases of West Nile virus so far this year and a mosquito pool has tested positive for West Nile Virus in Oakland County. As you know, West Nile virus is an infection transmitted by mosquitoes. If you become infected you may not experience any signs or symptoms, or you may experience only minor ones, or you may develop a life threatening illness that includes inflammation of the brain. Mild signs and symptoms of a West Nile virus infection generally go away on their own. But severe signs and symptoms — such as a severe headache, disorientation or sudden weakness — require immediate attention. Exposure to mosquitoes where West Nile virus exists increases your risk of getting the virus. Protect yourself from mosquitoes by using mosquito repellent and wearing clothing that covers your skin to reduce your risk.

**Mild infection signs and symptoms**

According to the U.S. Centers for Disease Control and Prevention, 80 percent of people who contract the disease won't experience symptoms. Mild symptoms usually resolve on their own. For 1 in 5 people infected, symptoms will include:

- Fever
- Headache
- Body aches
- Fatigue
- Skin rash (occasionally)
- Swollen lymph glands (occasionally)
- Eye pain (occasionally)

**Serious infection signs and symptoms**

About 1 percent of those infected, may develop more serious symptoms. Seek medical attention right away with:

- High fever
- Severe headache
- Stiff neck
- Disorientation or confusion
- Stupor or coma
- Tremors or muscle jerking
- Lack of coordination
- Convulsions
- Pain
- Partial paralysis or sudden weakness

**Infection transmitted by mosquitoes**

Typically, West Nile virus spreads to humans and animals via infected mosquitoes. The incubation period ranges from three to 14 days.

**Prevention**

- Eliminate standing water in your yard. Mosquitoes breed in pools of standing water
- Unclog roof gutters
- Empty unused swimming pools
- Change water in birdbaths at least weekly.
- Remove old tires or any unused containers that might hold water and serve as a breeding place.
- Avoid unnecessary outdoor activity when mosquitoes are most prevalent — dawn, dusk, and early evening.
- Wear long-sleeved shirts and long pants when you go into mosquito-infected areas.
- Apply mosquito repellent with DEET to your skin and clothing. The higher the percentage (concentration\_ of the active ingredient, the longer the repellent will work. Avoid using DEET on the hands of young children or on infants under 2 months of age. When outside cover your infant's stroller or playpen with mosquito netting.

Thanks again to everyone of our volunteers, who prayed for us, played with us, decorated with us and gave a week, a couple days, even a few hours to make this another great VBS! We couldn't have done it without you! We'll see you next year!

The last week in June was a great week! We hosted our annual Vacation Bible School, and as we looked through the photos again, one week in the bulletin just wasn't enough! Between building bricks for the Egyptian Pharaoh, creating and eating our Build-a-Bugs and Mystery Mash, during the Hungry Herd Café, hearing the story of Gift, Honest and other young disciples in Africa, creating our opti-chromes, playing with all of our sciency fun gizmos, the fun activities during Stampede Sports, walking through the Red Sea like Moses and the Israelites and all of the awesome lessons learned and songs sung during the week, we just had to share some more of our adventures!
