Family of Parishes

On January 12th of 2023, the four parishes, namely Our Lady of Czestochowa, Sts. Cyril and Methodius, St. Rene Goupil and St. Jane Frances de Chantal officially become a family of parishes. The name that we chose for our grouping of parishes is the Family of the Good Shepherd. Let me state from the outset that nothing will change in the daily operations of our individual parishes.

The priests of our families have had several meetings to define and write a covenant that will aid us in the sharing of resources. For example, each Advent and Lent, Ss. Cyril and Methodius hosts a reconciliation day in which the priests of the families of parishes come together for one day to celebrate the Sacrament of Reconciliation with the people of our four parishes. This event allows a great number of people to celebrate the Sacrament and it is less taxing on the priests. Also, St. Rene and St. Jane Frances have a joint Confirmation Mass once a year that is held at St. Rene.

These are just two examples of how we are sharing our resources to continue to meet the spiritual needs of the people in our Family of Parishes. As Moderator of our Family of Parishes, I can say that the priests of our family are very dedicated and are hardworking as we proclaim and make manifest the Kingdom of God. I would ask that you continue to pray for the priests of our Family of the Good Shepherd as we pray for you.

Even with the declining number of priests, the spiritual needs of the people are still being met; people are still being married and buried, the sick and the dying are being anointed, children are still being baptized, and Masses are being celebrated at various times throughout the week and weekend.

The Families of Parishes offers a time for the people of God to come forward to offer their gifts and talents in service to the church. There is no such thing as too many volunteers. We are slowly coming out of the pandemic and as people are returning to church, we are experiencing the new normal, yet we are in need of new volunteers in every ministry at St. Jane Frances de Chantal. We all have gifts and talents, we all can do our part to “build up the body of Christ.”

I believe that Families of Parishes is the Holy Spirit’s response to this present time in the Church. It is also a time for all of us to “think outside the box” in regards to the Church and her mission. As I mentioned a few weeks ago, the Church has changed in the thirty-seven years since I was ordained a priest, and in will continue to change.

It is not the same church that I was ordained into in 1986. For example, when I was ordained (1986) there were 1,300 priests serving the Archdiocese of Detroit. In 2023, we have 199 priests in ministry and by the year 2030 that number will drop to 158 priests. That is the reality and we have to deal with the situation as it presents itself to us. However, what has not changed throughout the church’s history is that the Eucharist is the “summit and source of who we are”, it is the spiritual food that sustains us and strengthens us for the journey. The Eucharist invites us and calls us to become involved disciples in the church.

Please consider participating in the presentation of the gifts at Mass

Have you and your family signed up to present the gifts at Mass yet? There is a sign-up book in the Gathering Space at the Welcome Desk. The book contains one page for each weekend of the next year. It is our hope that you will participate in the Mass in a special way by signing-up to present the gifts in thanksgiving to God. Consider signing up for an anniversary of marriage or in remembrance of the anniversary of the death of a loved one, a birthday, in celebration of special moments in your family's life, or any Mass, for any reason.

We ask that you arrive 10 minutes before the Mass you signed up for to check in with an Usher so they know that all is covered. If a particular Mass does not have anyone signed up, the Ministers of Hospitality will continue to ask people as they come into Mass. I have been told that the Ushers are turned down by many who are asked. Please consider saying yes, not just to the Usher who asks, but yes to God's invitation to participate in the Mass! It is our great hope that we will see an increase in the variety of people who participate in this beautiful action of the liturgy.

Mass is the center of our faith, our participation in it is a wonderful sign of our love for God.

Please join us and sign-up soon!

Have your blood pressure checked!

Elevated blood pressure (B/P) is considered a category, not an actual health condition like high blood pressure (hypertension). But elevated blood pressure tends to get worse over time unless it's properly managed. That's why it's important to regularly check and control your blood pressure. Healthy lifestyle habits, such as regular exercise and a healthy diet, can help prevent and control high blood pressure (hypertension).

Uncontrolled, elevated blood pressure and hypertension increase the risks of heart attacks, strokes and kidney damage. Some research says long-term elevated blood pressure can lead to changes in memory, language, thinking or judgment (cognitive decline). (Mayo Clinic)

The normal range for a blood pressure reading is 120/80. Prehypertension is considered with a systolic (top number) of 120-139 and a diastolic (bottom number) of 80 to 90. Once the number is 140/90, you are into the high blood pressure readings. (AHA)

The Health Ministry/Parish Nurse Group offers B/P checks the fourth weekend of most months. For those who rarely see a doctor or who have conditions that require some evaluation, having a check can give you input into your health status. Most people never know if they have high B/P and that it is why it is often called the silent killer.

At a neighboring parish, a member came in after Mass feeling unwell and a little dizzy. The first person taking her B/P was alarmed at the reading and called another nurse to repeat the procedure. Her reading was extremely high and was on the verge of having a stroke. EMS was called and she was transported to the emergency room where they confirmed that she was teetering on having a stroke or heart attack. They immediately started giving intravenous medication to bring down those numbers. She now has her B/P under control with daily medication.

Why not come and have your blood pressure taken at the **Health Fair on September 24th** after Mass. There will be pamphlets available to help explain B/P readings and heart disease.
